

WOMEN GIVE: REPRODUCTIVE HEALTHCARE

Title X Funding was cut from \$300,000 to \$75,000 annually during the 2025 application cycle.

This leaves a \$135,800 funding gap in our reproductive health program for low income individuals

In 2024 we saw:

- 2718 patients for reproductive or sexual health services*
- 115 had partial or total cost of services covered by TRMC*
- 185 patients were under the age of 18*
- 147 indicated Spanish as their primary service language*
